

Radar Extended Warranty

5 Year Extended Warranty for only \$150

Kustom Signals radar comes standard with a two year warranty. For as little as \$50 per unit, we will extend your warranty for one additional year! Please see the pricing breakdown below:

- Third Year for \$50
- Fourth Year for \$50
- Fifth Year for \$50

5 Year total warranty for only \$150!

The Advantage

The typical radar repair cost is \$272. If you have to repair your radar just once during the five years, you have already saved \$122 for each unit!

Exclusions

Offer applies only to new radar purchases. Existing radar extended warranty is available at different rates per year. Products not covered under the \$50/year radar extended warranty include the Motorcycle Eagle, Kustom lasers and SMART® trailers.
