

Extended Warranty

Digital Video Systems

You need an in-car video system you can depend on. At Kustom Signals, we know how to provide your agency with the most reliable, effective system on the market.

We've got you covered by offering extended warranties for your Digital Video Systems! Your extended warranty from Kustom Signals covers all parts and labor when you use our factory repair services.

When you purchase any Digital Video Product, you can upgrade your standard one year warranty to cover as many as five years. If you already own a Kustom Signals Video Product, you can extend your existing warranty as long as you are within warranty coverage.

Prices per unit:

- Second Year for \$300
- Third Year for \$400
- Fourth Year for \$500
- Fifth Year for \$600

If you own Kustom Signals Video Products that are not currently covered under warranty and would like to purchase a warranty, please call to inquire on pricing.
