

ARGUS BWC

RUGGED DURABILITY

- Rated IP67 for complete protection from dust and water ingress
- Built for US Military Standard 810G for shock, vibration, and impact
- Four microphones to allow for noise cancellation and clear audio

DESIGNED FOR OFFICER SAFETY

- Artificial Intelligence powered voice activation: activate Argus BWC with preconfigured phrases for hands-free operation
- Automatically initiates recording based on detection of events such as running and hard falls.
- With cellular connectivity, alerts can be sent to command staff to notify them of important situations and allow them to livestream, if necessary

NEVER RUN OUT OF BATTERY

- Removable large lithium ion battery that allows for up to 12 hours of recording, and even continues recording while battery is live-swapped.
- Easily charge Argus BWC on-the-go with USB-C charging connection.

ARGUS BWC
